

PROPOSED LIFE MEMBERSHIP FOR COLIN HOPKINS

Col joined the Kiwi Club in 1970 and finished playing in 1994 whilst playing for the Vets. He played mainly in the 2nd and 3rd. grade teams as a prop and occasionally at hooker. Col was not only a dedicated player but a great Clubman. He was part of many committees over the years 1976 to 1992 and was Assistant Secretary in 1981. He has been the organiser of the Social Grade Team from 1989 and still is an integral part of the Vets scene today, being the Assistant Manager of the Wizards Team that plays in the Masters Tournaments. Over the years Col has won many trophies, these being Most Consistent 3rd. Grade Player 1970, 1971 & 1972, 3rd. Grade Premiers Trophies in 1972, 1973, 1976 & 1978, Best Veteran in 1987, Assistant Manager of 1st. Grade in 1980 and in 1990 he won the "Horse's Arse" trophy at the Moorabbin Veterans Tournament. He also made his home available on many occasions to 3rd.Grade and Vets Teams for BBQ's to raise money for the Club.

Col is a retired printer, who used to print and donate many items for the club, has two children and is living in Mt. Waverley. He enjoys fishing, has a passion for Motor Bikes and obviously loves rugby. He unfortunately lost his wife Judy through Cancer on February 14th.2009.

I believe with this great background of club rugby involvement, he thoroughly deserves a Life Membership and ask you that this proposal be passed unanimously.
